

PAMPAS

Ornamental grass with showy plumes held above narrow, sharp-edged foliage that forms large clumps. Good, natural-looking screen or windbreak.

Grows 10' tall x 6' wide
Perennial

DWARF PAMPAS

Well suited for smaller gardens. Long stalks of white plumes are held above the foliage. This clumping perennial grass is wind and drought tolerant.

Grows 5' tall, stalks to 8'
Perennial

ORNAMENTAL GRASSES

PURPLE FOUNTAIN

A showy ornamental grass with narrow graceful arching, purple leaves topped with purple seed heads extending above the leaves.

Grows 3' tall x 3' wide
Annual

Open 7 days a week

ZEBRA

Showy yellow horizontal bands gleam in sunlight. Silvery-white plumes rise above foliage in late summer and last all winter.

Grows 7' tall x 5' wide
Perennial

ADAGIO

Plumes emerge bronzy-pink, fading to white. A dwarf plant with graceful, silvery-green arching foliage becoming a whirl of gold and burgundy in fall.

Grows 4' tall x 3' wide
Perennial

HAMELN DWARF

Attractive grass highlighted by fluffy, buff-colored plumes arching above foliage. Foliage turns golden russet in fall.

Grows 3' tall x 2' wide
Perennial

MEXICAN FEATHER

A Southwest native that's among the finest textured of all ornamental grasses. Silvery plumes are produced among the dense green foliage in late spring.

Grows 2' tall x 18" wide
Perennial

BLUE FESCUE

Deep blue foliage forms a neat, compact mound and is striking massed as a groundcover or a low border.

Grows 8" tall x 8" wide
Evergreen

PIGLET

The perfect size fountain grass! In mid summer, full, tawny plumes cascade up and above the finely textured, green foliage.

Grows 18" tall x 24" wide
Perennial

MORNING LIGHT

Green blades have highlights of creamy-white margins and veins creating a shimmering silvery appearance. Adds visual excitement wherever used.

Grows 5' tall x 3' wide
Perennial

FIREWORKS

Colorful, upright growing grass with stripes of white, green, burgundy and hot pink running the length of the blade. Purple tassels appear in summer.

Grows 3' tall x 2' wide
Annual

LITTLE ZEBRA

Green and yellow banding on the foliage is held all season. Has the desirable trait of flowering during late summer with reddish purple plumes.

Grows 4' tall x 4' wide
Perennial

PINK MUHLY

This is a showy clump-forming grass. The purplish-red plume is a diffuse, silky panicle, 18 inches long and 10 inches wide, appearing in late summer.

Grows 3' tall x 3' wide
Perennial

PRINCESS CAROLINE

Unlike other grasses that fade in the summer heat, the purple foliage of 'Princess' grows brighter as temperatures climb. Plumes appear only in tropic locations.

Grows 2-3' tall x 2-3' wide
Tender Perennial

MAIDEN

A tall, graceful, clumping ornamental grass. The slender, weeping leaves are silvery-green and turn golden bronze in fall. The flowers are white fan-shaped plumes in fall.

Grows 7' tall x 5' wide
Perennial

PRINCESS MOLLY

A dwarf plant with unique tricolor foliage. The wide, olive green leaves are bordered with purple, and further highlighted with a dark black-purple stripe down the leaf center.

Grows 20" tall x 24" wide
Tender Perennial

All grasses are conditionally guaranteed for one year
