

Boxwoods

Baby Gem

An exceptionally compact boxwood excellent for use in smaller gardens. This boxwood is excellent for borders and focal areas. The dense mass of dark-green foliage holds its color throughout the year.

2' tall x 2' wide

Dwarf English

A small rounded shrub that forms tufts of growth resembling a cloud if unsheared. Slow growing, dwarf habit makes this ideal for edging and borders along pathways.

1-2' tall x 1-2' wide

Faulkner

Oval, glossy, bright green leaves are densely packed on this compact shrub and become bronze tinged in winter. Slow growing dwarf form means less shearing at maturity. Exceptional specimen, topiary or tidy hedge.

4' tall x 3' wide

Green Beauty

Excellent evergreen shrub for small hedges. Retains its dark green foliage in the hottest summers, becoming bronze tinged in cold weather. Select over other English varieties for more heat and drought tolerance.

4-6' tall x 4-6' wide

Green Mountain

A fine compact, dense, slow growing, evergreen Boxwood that reaches 5 feet tall by 4 feet wide. Bright green summer color softens to a golden winter color. Ideal for growing into pyramids.

5' tall x 3' wide

Green Tower

A newer boxwood having a striking narrow upright form. Lustrous green foliage does not brown out in winter. An excellent hedge for tight places, in mass plantings or in a formal garden. Can be pruned as a topiary.

9' tall x 2' wide

Golden Dream

A compact, rounded shrub with bright green foliage edged in a golden yellow. This slow-growing evergreen are great for formal hedges or specimen plantings.

2' tall x 2' wide

Japanese

Slow growing, compact, oval shrub with small, bright green leaves. Shears into beautiful screens or globes. Use for formal hedges or topiaries.

3-4' tall x 3-4' wide

Winter Gem

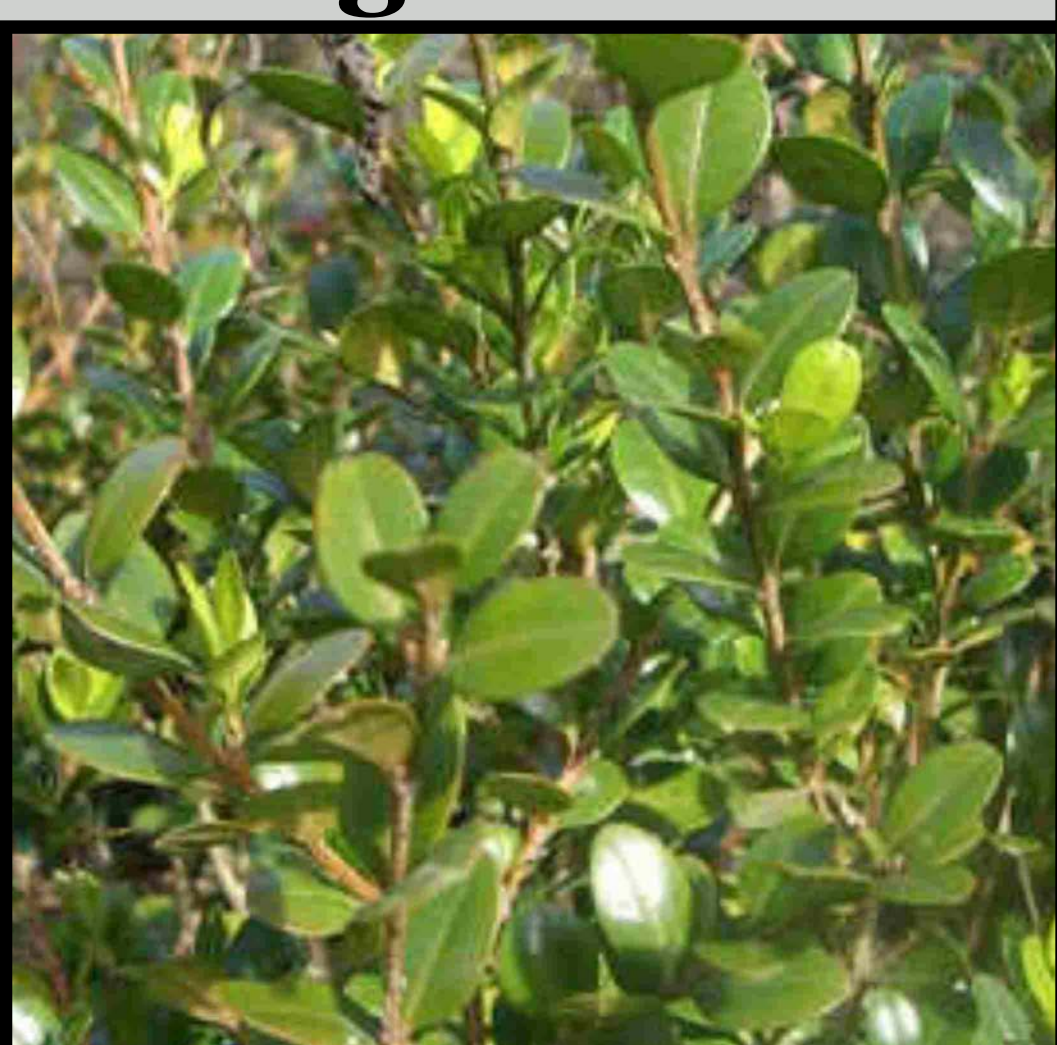

Excellent evergreen shrub for small hedges. Among the hardiest of boxwoods, the rich green foliage acquires a golden bronze hue through winter, returning to green in spring.

4' tall x 6' wide

Wintergreen

Versatile, small and dense-growing evergreen shrub with very refined, dark green, oval leaves that maintain their rich coloration throughout winter. Excellent plant for formal hedges or as an individual specimen.

3-4' tall x 3-4' wide
